**DETAILED ACTION**

***Claim Rejections - 35 USC § 112***

Claims 8-19 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

It is unclear what Applicant intends by the recitation "*laminar filter*" in the context claimed.

The claims have not been rejected over art, as the prior art does not appear to disclose a "*laminar filter*" in a filter press. See the attached Search History.
